Garden Party

Garden parties are outdoor events for teams that enjoy elegant affairs. The dress code tends to be fancy, such as sundresses and pastel dress shirts. You should hold your event in a lush garden or greenhouse. Here are some ideas:

- Succulent Terrarium Making
- Flower Arranging
- Flower Pot Making & Decorating
- Flowery Cocktails & Mocktails (i.e. lavender lemonade, drinks w/ edible flowers in ice cubes)
- Games like croquet or horseshoes
- Salads, Finger Sandwiches, Dishes w/ Different Herbs
- Floral Centerpieces Are A Must

Board Game Simulation

Playing giant cooperative board games is one of the most fun outdoor activities for teams. In this exercise, employees act as game pieces and move around a giant board. You can use sheets, cardboard boxes, paper, or foam blocks to make your outdoor game board in a courtyard, parking lot, or field.
